## ABOUT THE INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS OF UGANDA

The Institute of Certified Public Accountants of Uganda (ICPAU) is the national Professional Accountancy Organisation. ICPAU was established in 1992 by the Accountants Act, Cap. 294. The functions of the Institute as prescribed by the Accountants Act, 2013 are: to regulate and maintain the standard of accountancy in Uganda; and to prescribe and regulate the conduct of accountants and practising accountants in Uganda.

## ABOUT THE ICPAU ANNUAL SEMINAR

The ICPAU Annual Seminar was established to broaden accountants' knowledge beyond traditional technical disciplines by offering insights into areas such as wellness, personal financial management, entrepreneurship, family life, relationships, and parenting, among others. Recognised as Uganda's largest gathering of professionals, the seminar brings together nearly 2,000 participants each year to enhance their leadership capabilities, professional expertise, and essential life skills. As part of an accountant's lifelong learning journey, Continuing Professional Development (CPD) remains a vital component in maintaining competence and supporting career growth.

### TRANSFORMING INSTITUTIONS AND LIVES FOR SUSTAINABLE GROWTH

The theme **"Transforming Institutions and Lives for Sustainable Growth,"** reflects the critical role of accountants as catalysts for positive change within organisations and society. It emphasises the need for resilient institutions grounded in sound governance, accountability, innovation, and ethical leadership, while recognising that sustainable organisational success begins with the personal growth and well-being of the professionals who lead them.

Through thought-provoking discussions and practical learning, the seminar will equip participants with the knowledge, skills, and perspectives needed to drive institutional transformation, foster responsible leadership, and create lasting economic and social impact in an ever-evolving business environment.
