In 1996, the idea of the ICPAU Annual Seminar was birthed. The event architects at the time sought to provide a unique learning experience for accountants, blending Continuing Professional Development (CPD) with leisure and recreation to allow for holistic enrichment of mind, body and soul.

In August 1996, this vision came to life in what was the 1st ICPAU Annual Seminar.

30 years later, we commemorate the anniversary of an event that has proliferated into the largest gathering of professionals in Uganda. Known for its unique blend of learning, recreation and wellness, the ICPAU Annual Seminar is the most popular event on the accountants' calendar, attracting nearly 2000 participants.

You are invited to the 30-year commemoration of the ICPAU Annual Seminar.
